The pamphlet file located in the Education and Social Science section on the fourth floor of E.S. Bird Library contains a substantial number of items in the field of adult education. Each of these items is listed alphabetically by author card and housed in the special card catalogue located on the fourth floor. The material is classified in the Pamphlet File under the subject: Education - Adult. Under this subject each of the items has been classified under one or more Descriptive Subject Headings. Each item is listed alphabetically by title. Update listings of acquisitions follow the same procedure. One update list is included in this document.

The items have been collected by Syracuse University over a period of many years. A substantial part of the collection has been donated by individuals, agencies and organizations in adult education. Gifts continue to be welcomed.

Mrs. B.J. Vaughn has given direction to the pamphlet file and Mrs. Alice Smith has classified most of the materials. Mr. Burton Sisco has been diligent in reviewing and verifying the items on the lists. Mr. Donald Holmwood has assisted in providing consistency in the publications on resources.
